

2017-18 1:1 Student Survey

What grade are you in?

315 responses

Multiple choice survey questions.

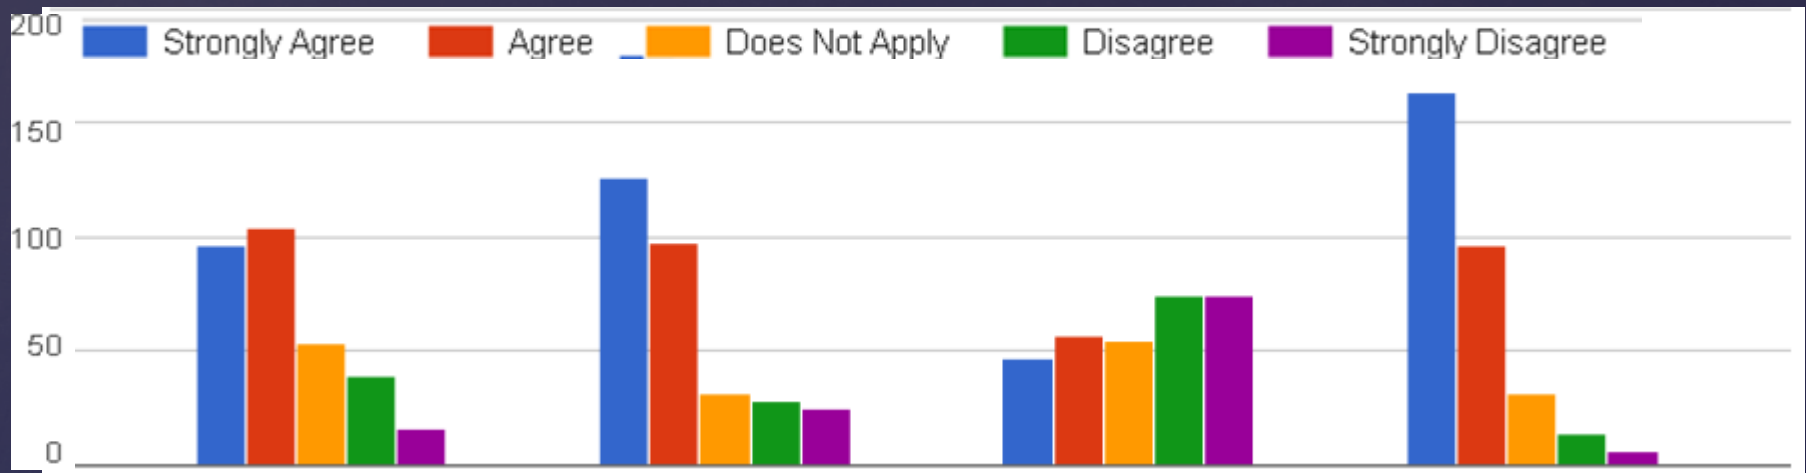

I am more organized when completing homework assigned on the Chromebook.

Google tools like Docs, Sheets, and Slides make completing assignments easier.

As a result of the Chromebook, I can complete my homework assignments on-time without having to share my home computer with siblings.

As a result of the Chromebook, I am more engaged with my classwork because I enjoy doing assignments on the computer.

Multiple choice survey questions (continued).

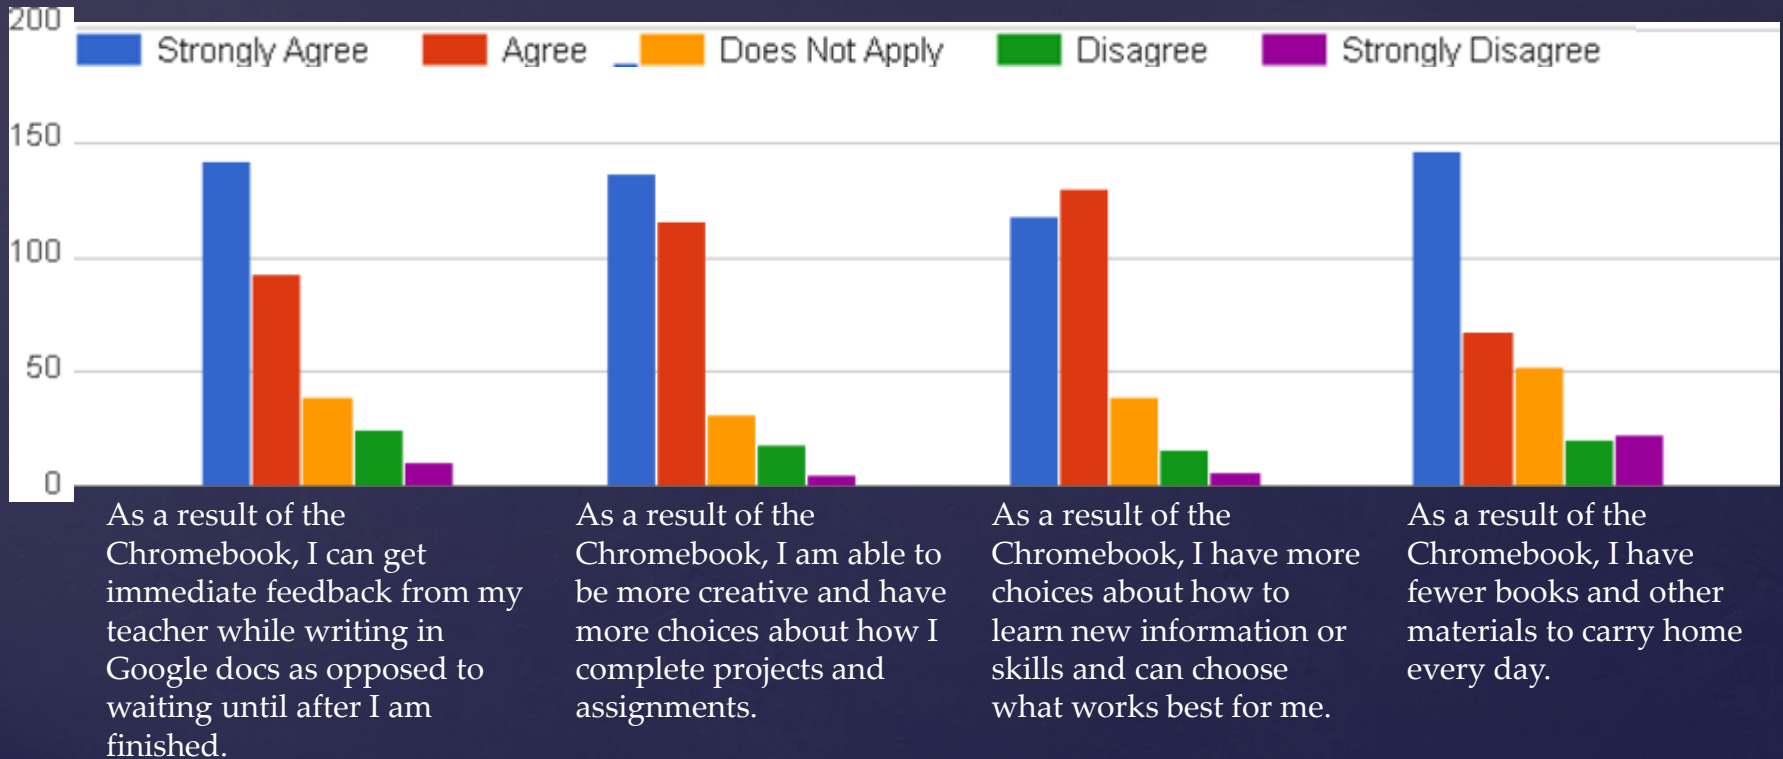

As a result of the Chromebook, I have become more interested in my classwork because I get to connect more with my peers/classmates.

As a result of the Chromebook, I get to explore educational games which are related to my classwork which help me to learn.

As a result of the Chromebook, I spent a lot more time surfing the internet on non-class related assignments.

As a result of the Chromebook, I have immediate access to classwork online rather than trying to find copies of handouts in my binder/book bag.
