Don't be left out! **Remember, the resolution of the picture is important.** Here is how you can submit:

1. The easiest way to submit your baby pic is to take an actual picture of it (with a smartphone or camera) and then download it to the hjeshare site.
2. You can also scan a picture and send it via email to the site or in an email to Mrs. Hamlet.
3. A third and final option is to send in a hard copy of the picture. Mrs. Hamlet will take a picture of this picture and then give the original back. But, you could easily do this yourself.... See #1
