October 30, 2017

Dear Lumberton Parents, Guardians and Staff Members,

On behalf of the Lumberton Township Board of Education and the administrative team, I am proud to announce that our Superintendent of Schools, Joe Langowski, has been selected by the Burlington County Principals and Supervisors Association as its 2017-2018 Visionary Leader as Superintendent.

With their annual awards, BCPSA recognizes Burlington County school administrators who demonstrate exceptional educational leadership and focus on supporting student progress in all areas. The organization recognizes visionary leaders who are making a difference in their school districts and communities. Mr. Langowski, who is ready to start his fifth year in our district, earned this honor because of his commitment to the students, staff and community members of Lumberton.

Mr. Langowski has accomplished many things in Lumberton, including: ensuring that district curriculum and programs address both the academic and social needs of all students; facilitating engagement with parents and the broader community through programs such as Cup of Joe with Joe; contributing to the well-being of the educational community, which has positively impacted teaching and learning; acting as change agent for teacher quality, student achievement, and accomplished leadership; demonstrating a strong commitment to the educational profession through active membership in county, state, and national associations; and providing educational leadership to develop effective schools and support appropriate expectations for school staff and students. Mr. Langowski gives of his time, serving on numerous state committees and task forces to improve education policy statewide, and he has spearheaded numerous significant district initiatives, such as our strategic plan.

During his time here, Mr. Langowski has worked tirelessly to earn the respect of students, colleagues, parents, and community partners, both in Lumberton and in other school districts. Mr. Langowski will officially receive his award during the Fall BCPSA meeting on Thursday, November 2, 2017. Please join me in congratulating him on this well-deserved honor!

Sincerely,

Rachel E. Paulin

President,

Lumberton Township Board of Education
