Dear Lumberton Parents & Guardians:

Last night the Board of Education approved Mrs. Heather Wawrzyniak as the Principal of Ashbrook Elementary School, effective July 1, 2017. Her selection completes an extensive search process. This included the screening of over 100 applications, review of tasks and two rounds of interviews with a variety of stakeholders (parents, teachers, Board of Education member and administrators).

Mrs. Wawrzyniak distinguished herself during the interview process as a very student-centered educator. She is a current Principal in Burlington County, and she has previous experience teaching across a variety of grade levels. She has worked in Burlington County throughout her career and also served as an Assistant Principal during that time. Mrs. Wawrzyniak has a strong curriculum knowledge as well as an understanding of the social/emotional needs of elementary aged students. In addition, a variety of references and professional colleagues have shared very positive comments about her work.

Mr. Livengood will continue in his capacity as Interim Principal until June 30, 2017. It is likely that you will see Mrs. Wawrzyniak before her July 1 start date as she seeks to transition to our community.

Please join me in welcoming Mrs. Wawrzyniak to the Ashbrook Elementary School and Lumberton School District.

Sincerely,

Joseph Langowski
Superintendent of Schools
