Dear Lumberton Parents and Guardians,

I am writing to update you about the status of our referendum, as much work has been completed since the March 12, 2019 vote. Members of administration have been hard at work with the architect and construction manager. Here are some highlights:

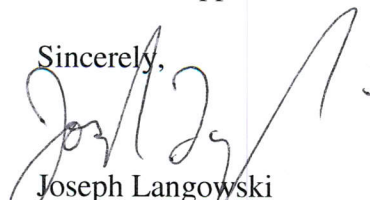

- 6 of 7 projects have been bid, and the Board has approved each of the 6 bids. This is great news, as some other districts have had to delay construction to rebid their projects.

	Name of Company
Architect	Design Collaborative
Construction Manager	New Road Construction
Project 1 – VCT flooring	Commercial Interiors Direct
Project 2 – BRS Boiler	Kaser Mechanical
Project 3 - Roofs	Union Roofing
Project 4 – BRS/LMS Carpet, Vestibules, Lockers	Joseph Porretta Builders
Project 5 – AES work	TBD
Project 6 – Windows	Garozzo & Scimeca Construction, Inc.
Project 7 – Security Cameras	CM3, Inc.

- The 7th bid (Ashbrook construction) is anticipated to be awarded at the August Board of Education meeting.
- Roof work at LMS will start immediately after close of school. Roof work at FLW will start immediately after Extended School Year ends in July.

Please check your inbox throughout the summer as we will be sending updates. Thank you for your continued support.

Sincerely,

Joseph Langowski
Superintendent
